WHAT IS LATROUPE?

Latroupe is a new European chain of alternative and flexible accomodation, within urban and vacational spots. At the moment, we have already secured destinations in Brussels, Bilbao, Madrid, Dublin and Barcelona.

Our product concept is actually halfway between a traditional Hostel and a 3*/4* urban Hotel. Approximately 30% of our beds will be in shared dorms (between 4 and 8 beds each), but the rest will be double, triple or quadruple rooms that will be sold as a private unit.

We will introduce aspirational elements and focus the product not only on tourists, but also on local audiences who can enjoy our F&B areas and activities. Our promise includes to act as a link between tourists and local scenes.

ADVANTAGES FOR GROUPS

LATROUPE Hostels have open doors. Groups of friends, students, backpackers and families. We are the perfect place to start your adventure. Organize your trip now and contact our friendly team to receive a quick and realistic proposal. Please don't hesitate to ask us any questions, we will be happy to help you in any way we can.
